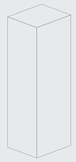
4-Sided Column: Column 02



(4) Prints create one structure
Total Graphic Area: 46”w x 130”h
Total Finished Area: 36”w x 120”h

Please be sure to include a 5” bleed around the perimeter. DO NOT design any critical elements (text, logos, etc.) within 3” on top and bottom and 2” on left and right of each panel (gray area is recommended safe area).

Please note that we cannot guarantee alignment from panel to panel for elements that are not straight lines.

General Art Guidelines:

- CMYK Color Mode
- All Solid Coated Pantone colors should be called out in the art as spot colors
- Embed all images and support files
- Resolution must be 100-120 ppi
- All fonts must be created to outlines
- Do not scale artboard
- Background color/images must bleed to the edge of artboard
- Do not use spot colors from template in your artwork as they will not print

PANEL 1

this edge will meet up with
far right edge on panel 4.
We cannot guarantee alignment.

PANEL 2

PANEL 3
