

Important note: To avoid any delay or additional charges please be sure to submit all artwork files according to the technical specifications and time deadlines outlined in the Artwork Preparation Guide.

Graphic #1464 (Entasi™ Double Sided Graphic for 10' × 8' Vertical Curved Frame) measures exactly **117.13" × 103.36"** on the front side, and **117.13" × 105.5"** on the back side. Please prepare the graphics at this size.

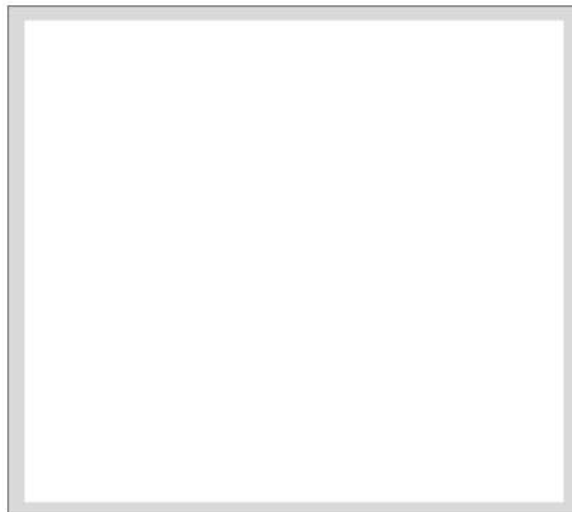

It is highly recommended that text and logos be kept within the central **110.1" × 97.16"** of the canvas on the front side, and **110.1" × 99.17"** on the back side, as there is slight stretching of the fabric on the edges.
